GRAND REOPENING

We had hoped to have a “grand reopening” during July – when we could get back to some sense of normal, but with cases on the rise, we may have to wait. At printing time, we still were not sure of the Governor’s plans. We will let you know when all of our services can resume. Pray for our leaders, scientists, and doctors to do the right thing!

Stay #SPENCERSTRONG

Spencer is blessed to have some scholarship funds for members to receive while in college. If you will be in college during the 2020-2021 school year, you are encouraged to apply. These applications are available online or in the church office. We ask that you fill them out and return to the church office or email them back to the church by July 19. Email: Spencer@Spencerbaptist.com We usually do this in May, but this has been a crazy Spring.

Welcome to Beth Ross, who joined Spencer Baptist by transfer of letter on June 22, 2020.

 Beth lives in Chesnee, but spends time here with her daughter, Kelly Owens

Spencer Baptist has the honor of hosting the 2021 Night to Shine on Friday, February 12, 2021. The Tim Tebow Foundation has a great passion for people with special needs, and in 2014 the Foundation launched Night to Shine with a simple vision...work with churches around the world to provide an incredible prom experience, centered on God’s love, for people with special needs ages 14 and up.

How can you help with Night to Shine?

We will be enlisting volunteers for many different jobs before, during and after the event. As you are communicating on social media, please use the hashtags listed below.

Wonderful Wednesdays

(for children who have completed grades 1-5)

Hey kids! We are trying to schedule some wonderful Wednesdays together. All events are subject to change due to the changing requirements of COVID-19, but we are planning on being together some to learn about loving God and loving others, while having a fantastic time playing together. This summer, reservations are required! We have to be prepared to make sure we can practice social distancing. To reserve your spot, you can call the church office or sign up online (website or facebook). If your plans change, make sure to cancel your spot so someone else may go in your place.

Can an apple a day really keep the doctor away?

The original phrase, "Eat an apple on going to bed, and you'll keep the doctor from earning his bread." In the 19th century and early 20th, the phrase evolved to "an apple a day, no doctor to pay" and "an apple a day sends the doctor away," while the phrasing now commonly used was first recorded in 1922.

Although the term is fairly new, the concept is quite old. Ancient Romans and Anglo-Saxons, knew about the healthful properties of apples. The fruit also pops up in traditional Ayurvedic medicine, dating back about 1,500 years in southern Asia.

The popularity of the phrase has not been lost on modern science, either. Researchers and doctors have conducted numerous studies on the health benefits of apples — exploring whether they can actually reduce trips to the doctor.

One lesser known benefit of an apple is that it can reduce heartburn!
