The Lighting of the Advent Candles Michael & Jody

On this fourth Sunday of Advent, as we think about the coming of Jesus Christ, we light the candle of peace. Jesus Christ is the Prince of Peace, and the result of His presence is peace. Christ comes to bring justice, wholeness, and harmony to every relationship throughout all creation. He wants to continually grant us peace in every situation. As we light the candles this morning, we should remember that we have **hope** because God is always with us and we are **loved** by God's unconditional, never-ending, always and forever love. Our **joy** comes by knowing that God loves us no matter what happens, and Jesus fixed our broken relationship with God and restored **peace** between us.
