The Lighting of the Advent Candles

On this third Sunday of Advent, as we think about the coming of Jesus Christ, we light the candle of joy. When Christ comes into our lives, He brings the fullness of joy. When Jesus was born, the angels said that His coming was good news of great joy for all people. Because Christ has come to us, we can live every day in the joy of the Lord. As we light the candles this morning, we should remember that we have hope because God is always with us and we are loved by God's unconditional, never-ending, always and forever love, and joy comes by knowing that God loves us no matter what happens.
