The Lighting of the Advent Candles Kadijah, Star, & Julia

On this second Sunday of Advent, as we think about the coming of Jesus Christ, we light the candle of love. How great is the love the Father has lavished on us! This is how God showed His love: He sent His one and only Son into the world that we might live forever through Him. As we light the candles this morning, we should remember that we have hope because God is always with us and we are loved by God's unconditional, never-ending, always and forever love.
