

Ministry Interest Survey 2023-2024

To prepare for our upcoming year, the Nominating Committee needs your help. This Ministry Interest Survey is designed to help you begin to consider where you might like to serve. The Nominating Committee will use your survey to recommend people for committees and leadership positions based on your interests and the church's needs. Please be aware that completion of this survey does not automatically place you on any committee or commit you to any area of service. We need everyone to complete these important surveys by September 1. If you prefer to complete the survey online, please look on our website for the link to the "Ministry Interest Survey" or scan the QR code below with your phone's camera.
