

# Night to Shine '24

# HOLLYWOOD

HOSTED BY SPENCER BAPTIST CHURCH

Friday, Feb. 9 from 6:30 - 9:00 PM

Please read the following information so that the night runs smoothly and all will have a grand and wonderful experience.

The Event starts at 6:30 p.m. and ends at 9 p.m. Parking attendants will line up cars for drop off and for pick up. We will route traffic like the Spindale Elementary car rider line. Plan to enter onto North Oak Street from Main Street. **Do not arrive at the church before 6 PM.** We will not begin until 6:30 and even if you are there early, you will be waiting in your car until we begin. We ask that no one get out of a vehicle until directed to do so.

Our event space has reached capacity. No additional guests, family members or friends will be able to enter the building. Only registered guests and approved volunteers will have access inside. Parents/Caregivers who have registered for the Caregiver/Respite area will be directed to that space.

There will be several glamour stations (nail art, jewelry, etc.) and shoe shine areas to pamper our guests once they are inside the event. However, there are no hair and makeup areas for this event this year.

FINAL NOTE: If, for any reason, a guest has to cancel, please contact [music@spencerbaptist.com](mailto:music@spencerbaptist.com) or call (828) 286-2355 with that cancellation. We have a waiting list of people who would love to attend if spaces are available.
